Dear Shareholder,

ANNUAL GENERAL MEETING 2022

On behalf of the directors of Hostmore plc (together the “**Directors**”), it gives me great pleasure to write to you with details of our first Annual General Meeting (“**AGM**”) of Hostmore plc (the “**Company**”) which will be held at the offices of Numis Securities Ltd, 45 Gresham Street, London, EC2V 7BF on Friday, 27 May 2022 at 11.00 am.

The formal Notice of the AGM (the “**Notice**”) is set out on pages 5 to 20 of this document, detailing the proposed resolutions that the shareholders are being asked to vote on along with explanatory notes on those resolutions. A number of specific matters to which to draw your attention have also been highlighted below. A copy of the Annual Report and Financial Statements for the 53 week period ended 2 January 2022 (the “**Annual Report and Financial Statements**”) can be found on the Company’s website at www.hostmoregroup.com. If you requested a printed copy of the Annual Report and Financial Statements, it is enclosed with this document.

COVID-19 AND ATTENDING THE AGM

Following the removal of all remaining coronavirus restrictions earlier this year, we are delighted at the prospect of being able to hold our first AGM as a physical meeting and to welcome shareholders in person.

However, as we all adapt to living with COVID-19, the Board recognises the need to remain vigilant. We will, therefore, continue to observe all necessary precautions as the health and safety of all participants remains paramount. We are asking shareholders to confirm their attendance to us in advance, so that we can ensure that the meeting is held in a safe, and appropriately socially distanced, manner. Therefore, if you plan to attend the AGM in person, we ask that you email enquiries@hostmoregroup.com as soon as possible.

Please note that shareholders, their appointed representatives or proxies should not attend the AGM if they have tested positive for COVID-19 or if they are displaying symptoms of COVID-19 on the day of, or in the days leading up to, the AGM.

The Board will continue to monitor developments in relation to the coronavirus pandemic and the latest Government guidance over the coming weeks to ensure that we are able to adapt our arrangements efficiently to respond to any change in circumstances should it be necessary to do so between now and the date of the AGM. Any change to the AGM arrangements will be announced as soon as practically possible through the Company’s website at <https://www.hostmoregroup.com>

and, where appropriate, by RNS announcement. Therefore, please check the Company's website regularly in the run up to the AGM.

APPROVAL OF PROPOSED DIRECTORS' REMUNERATION POLICY (RESOLUTION 3)

This year, we are inviting you to approve our first forward-looking remuneration policy for Directors. The proposed policy, which has been drafted by the Remuneration Committee, is set out on pages 70 to 82 of our Annual Report and Financial Statements. The policy is subject to a binding shareholder vote. If it is approved, the Company will not be able to make any remuneration or loss of office payments unless such payments are consistent with the approved policy or shareholders have approved any amendment to that policy authorising the Company to make such payments. It is proposed that the policy will take effect from the date of the AGM and will, if left unchanged, apply for three years. The vote on the Directors' Remuneration Policy is in addition to the advisory vote on the Directors' Remuneration Report.

ELECTION OF DIRECTORS (RESOLUTIONS 4 TO 10)

As all of the Directors were appointed to the Board prior to the Company's admission to the Official List and to trading on the London Stock Exchange last November, all intend to retire from office at this first AGM. As permitted by the Company's articles of association, all Directors, save for myself, intend to submit themselves for election by the Company's shareholders for the first time. As previously announced, I intend to step down from the Board at the conclusion of the meeting.

Subject to his election as a Director by shareholders, and as previously announced, it is proposed that Gavin Manson will succeed me as Non-Executive Chair of the Board after the AGM. It is also proposed that Gavin will cease to be a member of both the Audit and Risk Committee and Remuneration Committee, and that he will instead serve as Chair of the Nomination Committee and as a member of the Disclosure Committee. Further information on Gavin's appointment as Chair, and the election of all of our Directors can be found on pages 9 and 10 and in the Directors' biographies in the Appendix on pages 17 to 20 of this document. The Board considers each Director standing for election to be fully effective and committed to their role and recommends them all for election by shareholders.

APPOINTING A PROXY

If you are unable to attend the AGM, you can still be represented at the meeting by appointing a proxy to act on your behalf and by giving instructions on how you wish your proxy to vote on the proposed resolutions.

Irrespective of whether or not you propose to attend the AGM, we would encourage you to appoint the Chair of the meeting as your proxy. This will ensure that your vote will be counted if ultimately you (or any other proxy you might otherwise appoint) are not able to attend on the day for any reason. If you appoint the Chair of the meeting as your proxy, the Chair will vote in accordance with your instructions. If the Chair is given discretion as to how to vote, he or she will vote in favour of each of the resolutions set out in the Notice. Appointing a proxy will not prevent you from attending and voting in person if you wish to do so.

Instructions on how to appoint a proxy can be found in the notes to the Notice set out on pages 14 to 16. Please complete and submit a proxy appointment in accordance with those notes. To be valid, your proxy appointment must be received at the address indicated by no later than 11.00 am on Wednesday, 25 May 2022.

ASKING QUESTIONS

The Board recognises the importance of the AGM to shareholders and is keen to ensure you are able to exercise your rights to engage and participate in the meeting. Shareholders or their appointed proxies who attend the AGM on the day will be able to ask questions on the business of the meeting. All shareholders (irrespective of whether or not they propose to attend the AGM) are also invited to ask their questions on the business of the meeting in advance by sending an email to enquiries@hostmoregroup.com. Shareholders wishing to receive a response to a question in advance of the proxy voting deadline for the AGM should submit their questions by email by no later than 11.00 am on Monday, 23 May 2022.

RECOMMENDATION

The Directors believe that the proposed resolutions set out in the Notice are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all of them at the AGM. The Directors who own shares in the Company intend to vote in favour of all of the resolutions (other than in respect of those in which they are interested).

I thank you for your continued support.

Yours faithfully

Neil Johnson
Chair of the Board
Hostmore plc

(2) to holders of other equity securities, as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

such authority to expire (unless previously revoked, varied or renewed) at the close of business on 30 June 2023 or, if earlier, at the conclusion of the Company's annual general meeting to be held in 2023, but so that the Company may make offers and enter into agreements before the authority expires which would, or might, require shares in the Company to be allotted or rights to subscribe for or to convert any security into shares in the Company to be granted, after the authority expires and the Directors may allot shares or grant such rights under any such offer or agreement as if the authority conferred hereby had not expired. All authorities vested in the Directors' on the date of the Notice of this meeting to allot shares or to grant rights that remain unexercised at the commencement of this meeting are revoked.

(A) to the allotment of equity securities and/or sale of treasury shares in connection with an offer of securities (but in the case of the authority granted under resolution 14(B) above, by way of rights issue only) in favour of the holders of shares on the register of members at such record date as the Directors may determine where the equity securities respectively attributable to the interests of the shareholders are proportionate (as nearly as may be practicable) to the respective numbers of shares held by them on any such record date, and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter; and

- (B) to the allotment of equity securities and/or sale of treasury shares (otherwise than under paragraph 15(A) above) up to an aggregate nominal amount of £1,261,272,

such power to expire on the revocation or expiry (unless renewed) of the authority conferred on the Directors' by resolution 14, but so that prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the power expires and the Directors may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the power had not expired.

Additional power to disapply pre-emption rights for purposes of acquisitions or capital investments

16. That, subject to the passing of resolution 14 above, and in addition to any power granted under resolution 15 above, the Directors are empowered pursuant to sections 570 and 573 of the Act to allot equity securities (as defined in the Act) for cash, pursuant to the authority given by resolution 14, and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment and/ or sale, provided that such power is:

such power to expire on the revocation or expiry (unless renewed) of the authority conferred on the Directors by resolution 14 but so that prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the power expires and the Directors may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the power had not expired.

Authority to purchase own shares

17. To generally and unconditionally authorise the Company for the purpose of section 701 of the Act to make one or more market purchases (as defined in section 693(4) of the Act) of ordinary shares in the capital of the Company on such terms and in such manner as the Directors may from time to time determine, provided that:
- a. the maximum aggregate number of ordinary shares hereby authorised to be acquired is 12,612,727;
 - b. the minimum price (exclusive of expenses) which may be paid for each ordinary share in the Company is its nominal value;
 - c. the maximum price (exclusive of expenses) which may be paid for any such ordinary share is an amount equal to the higher of: (i) 105 per cent. of the average of the closing price of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased; and (ii) the higher of the price of the last independent trade of an ordinary share in the Company and the highest current independent bid for an ordinary share in the Company as derived from the London Stock Exchange Trading System,

the authority hereby conferred shall expire at the close of business on 30 June 2023 or, if earlier, at the conclusion of the Company's annual general meeting to be held in 2023 (except in relation to the purchase of ordinary shares the contract for which was concluded before the expiry of such authority and which might be executed wholly or partly after such expiry of authority) unless such authority is previously renewed, varied or revoked by the Company in general meeting.

Notice of general meetings

18. To authorise the Directors to call a general meeting of the Company, other than an annual general meeting, on not less than 14 clear days' notice.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

THE NOTES ON THE FOLLOWING PAGES GIVE AN EXPLANATION OF THE PROPOSED RESOLUTIONS.

All proposed resolutions in this Notice will be voted on by way of a poll. Resolutions 1 to 14 are proposed as ordinary resolutions. An ordinary resolution will be passed on a poll if it is passed by shareholders representing a simple majority of the total voting rights of shareholders who vote. Resolutions 15 to 18 are proposed as special resolutions. A special resolution will be passed on a poll if it is passed by shareholders representing a majority of at least three-quarters of the total voting rights of shareholders who vote.

RESOLUTION 1: ANNUAL REPORT AND FINANCIAL STATEMENTS

The Companies Act 2006 (the “Act”) requires the directors of a public company to lay before the company in general meeting copies of the directors’ reports, the independent auditors’ report and the audited financial statements of the company in respect of each financial year. In accordance with best practice, the Company proposes an ordinary resolution to receive its audited financial statements and reports for the 53 week period ended 2 January 2022 (the “Annual Report and Financial Statements”).

RESOLUTION 2: ANNUAL REMUNERATION REPORT

In accordance with the Act, shareholders are invited to approve the Directors’ Remuneration Report as set out on pages 67 to 90 of the Annual Report and Financial Statements. For the purposes of this resolution, the Directors’ Remuneration Report does not include the Directors’ Remuneration Policy which is set out on pages 70 to 82 of the Annual Report and Financial Statements and which is the subject of a separate shareholder resolution (Resolution 3). The Company’s auditors, PricewaterhouseCoopers LLP, have audited those parts of the Directors’ Remuneration Report that are required to be audited and their report may be found on pages 105 to 113 of the Annual Report and Financial Statements. This resolution is subject to an “advisory vote” by shareholders and is therefore not binding on the Company. In the event that the resolution is not passed, payments made or promised to Directors will not have to be repaid, reduced or withheld.

RESOLUTION 3: DIRECTORS’ REMUNERATION POLICY

The Remuneration Committee has submitted a Directors’ Remuneration Policy for shareholder approval at the AGM. Accordingly, shareholders are invited to approve the new Policy by voting on resolution 3. The proposed Policy is contained in the Directors’ Remuneration Report and can be found on pages 70 to 82 of the Annual Report and Financial Statements. It sets out the Company’s forward looking policy on Directors’ remuneration and is subject to a binding shareholder vote. If resolution 3 is passed, the Directors’ Remuneration Policy will take effect from the date of the AGM (the “**Effective Date**”) and, from the Effective Date, the Company may not make a remuneration payment or payment for loss of office to a person who is, or is to be, or has been a director of the Company unless that payment is consistent with the approved Directors’ Remuneration Policy, or an amendment to that Policy authorising the Company to make such a payment has been approved by a shareholders’ resolution. The Directors are required to seek shareholder approval of their remuneration policy at least every three years, except in the event that a change to the policy is proposed or the advisory vote on the Directors’ remuneration report is not passed in any year subsequent to the approval of the policy. It is, therefore, intended that the Policy will apply for three years.

RESOLUTIONS 4 TO 10: ELECTION OF DIRECTORS

Resolutions 4 – 10 (inclusive) propose the Directors’ election by the Company’s shareholders. As all of the Directors were appointed to the Board in advance of the Company’s admission to the Financial Conduct Authority’s Official List and to trading on the Main Market of the London Stock Exchange last November, all intend to retire from office at this first AGM. As permitted by the Company’s articles of association, all intend to submit themselves for election by the Company’s shareholders for the first time, with the exception of Neil Johnson who, as previously announced, intends to step down from the Board at the conclusion of the AGM.

Subject to his election as a Director at the AGM, it is proposed that Gavin Manson will succeed Neil Johnson as Non-Executive Chair of the Board with effect from the conclusion of the meeting. As previously announced, Gavin is not viewed as being independent on appointment for the purposes of Provision 9 of the UK Corporate Governance Code due to his relationship with the Company's former shareholder, Electra Private Equity PLC (now re-named Unbound Group PLC), but the Board believes that his appointment as Chair is in the best interests of both the Company and its shareholders given the importance of continuity of stewardship to the Company as a newly listed entity and the experience and knowledge that Gavin will bring to the role. It is also proposed that Gavin will cease to be a member of both the Audit and Risk Committee and Remuneration Committee, and that he will instead serve as Chair of the Nomination Committee and as a member of the Disclosure Committee. All changes will take effect from the conclusion of the AGM, subject to Gavin's election as a Director at the meeting.

The Board intends to carry out a review of the independence of its Directors on an annual basis. In considering the independence of the independent non-executive Directors proposed for election this year, the Board has taken into consideration the recommendations of the UK Corporate Governance Code. Accordingly, the Board considers Jane Bednall, Andrew Blurton, David Lis and Louise Stonier to be independent in accordance with UK Corporate Governance Code. As noted above, Gavin Manson is not deemed to be independent due to his previous role at Electra.

Biographical details of each of the Directors who are seeking election are provided in the Appendix to the Notice on pages 17 to 20 to enable the Company's shareholders to take an informed decision on their election. The Board believes that each Director brings considerable and wide-ranging skills and experience to the Board as a whole and continues to make an effective and valuable contribution to the deliberations of the Board. Each Director has continued to perform effectively and demonstrate commitment to their role.

All Directors are recommended by the Board for election. At subsequent annual general meetings, it is the Board's intention that all Directors will retire from office in line with the recommendations of the UK Corporate Governance Code. Retiring Directors will be eligible for re-election by shareholders.

RESOLUTIONS 11 AND 12: RE-APPOINTMENT AND REMUNERATION OF AUDITORS

The auditors of a company must be appointed or re-appointed at each general meeting at which the annual report and financial statements are laid. Resolution 11 proposes, on the recommendation of the Audit and Risk Committee of the Company, the re-appointment of PricewaterhouseCoopers LLP as the Company's auditors until the conclusion of the next general meeting of the Company at which the annual report and financial statements are laid. The Audit and Risk Committee has confirmed to the Board that its recommendation is free from third party influence and that no restrictive contractual provisions have been imposed on the Company limiting its choice of auditors.

Resolution 12 seeks shareholder consent for the Audit and Risk Committee to set the auditors' remuneration.

RESOLUTION 13: AUTHORITY TO MAKE POLITICAL DONATIONS AND INCUR POLITICAL EXPENDITURE

Subject to limited exceptions, the Act imposes restrictions on companies making political donations to any political party or other political organisation or to any independent election candidate or incurring political expenditure unless they have been authorised to do so at a general meeting. It is the Company's policy that it does not make political donations nor incur political expenditure. Nevertheless, the Act includes broad and ambiguous definitions of the terms "political donation" and "political expenditure" which may apply to some normal business activities which would not generally be considered to be political in nature.

The Board currently has shareholder approval to make donations to political parties, political organisations and independent election candidates and to incur political expenditure up to an aggregate total amount of £50,000. This approval is due to expire at the AGM, and the Board considers that it would be prudent to renew it. As is common practice among many UK public companies, this authority is sought as a precautionary measure only to guard against any

inadvertent breach of the statutory restrictions. The Board confirms that it has no intention of making any political donations, incurring political expenditure or entering into party political activities.

RESOLUTION 14: DIRECTORS' AUTHORITY TO ALLOT

Under the Act, the directors of a company may only allot new shares (or grant rights over shares) if authorised to do so by the shareholders in a general meeting.

The purpose of resolution 14 is to renew the Directors' current authority to allot shares which is due to expire at the AGM. The authority in paragraph 14(A) will allow the Directors to allot new shares in the Company and grant rights to subscribe for, or convert other securities into, shares in the Company in any circumstances up to an aggregate nominal amount of £8,408,485. Such amount represents approximately one third (33.3%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 5 April 2022, being the latest practicable date prior to publication of this document.

The authority in paragraph 14(B) will allow the Directors to allot new shares in the Company and grant rights to subscribe for, or convert other securities into, shares in the Company in connection with a rights issue only up to an aggregate nominal amount of £16,816,970. Such amount represents approximately two thirds (66.7%) of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 5 April 2022. For the avoidance of doubt, the authority sought pursuant to this resolution will give the Directors the ability to allot shares and grant rights up to a maximum aggregate nominal amount of £16,816,970.

As at 5 April 2022, being the latest practicable date prior to the publication of this document, the Company did not hold any shares in treasury within the meaning of the Act.

There are no present plans to allot new shares in the Company other than in connection with employee share incentive plans. Nevertheless, the Directors consider it desirable to have the maximum flexibility within the limits prescribed by The Investment Association to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

If the resolution is passed, the authority will expire at the close of business on 30 June 2023 or, if earlier, at the conclusion of the Company's annual general meeting to be held in 2023.

RESOLUTIONS 15 AND 16: DISAPPLICATION OF PRE-EMPTION RIGHTS

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, in the Company for cash (other than in connection with an employee share scheme), company law requires that these shares are offered first to the Company's shareholders in proportion to their existing holdings. The Directors currently have the power, however, to allot shares and other equity securities, or sell treasury shares, for cash free from such statutory pre-emption rights in certain circumstances. The current power is due to expire at the AGM and the Directors wish to renew it within the limits prescribed by the Statement of Principles on the disapplication of pre-emption rights issued by the Pre-Emption Group.

The proposed resolutions reflect the Statement of Principles published by the Pre-Emption Group in March 2015 which provides that a company may seek power to issue, on a non-pre-emptive basis, shares for cash in any one year representing: (i) no more than 5% of the company's issued ordinary share capital; and (ii) no more than an additional 5% of the company's issued ordinary share capital provided that such additional power is only used in connection with an acquisition or specified capital investment. The Statement of Principles defines 'specified capital investment' as one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Resolution 15 is proposed as a special resolution. If it is passed, it will permit the Directors to allot new shares or other equity securities in the Company, or sell treasury shares in the Company, for cash on a non-pre-emptive basis both in connection with a rights issue or similar pre-emptive issue and, otherwise than in connection with such an issue, up to a maximum aggregate nominal amount of £1,261,272, being approximately 5% of the total issued ordinary share capital of the Company (exclusive of treasury shares), as at 5 April 2022. As at 5 April 2022, being the latest practicable

date prior to the publication of this document, the Company did not hold any shares in treasury within the meaning of the Act. This resolution will permit the Directors to allot shares or other equity securities, or sell treasury shares, for cash on a non-pre-emptive basis, up to the specified level, in any circumstances (whether or not in connection with an acquisition or specified capital investment).

Resolution 16 is proposed as a separate special resolution in line with best practice. If it is passed, it will afford the Directors an additional power to allot new shares and other equity securities in the Company or sell treasury shares, for cash up to a further maximum nominal amount of £1,261,272, being approximately 5% of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 5 April 2022. The Directors shall use the power conferred by resolution 16 only in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

Whilst the Board has no present intention of exercising these powers, it considers that they are appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a rights issue or other pre-emptive offer without the need to comply with the strict requirements of the statutory pre-emption provisions.

The Board intends to adhere to the provisions in the Pre-Emption Group's Statement of Principles not to allot shares for cash on a non-pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three-year period other than: (i) after prior consultation with the Company's shareholders; or (ii) in connection with an acquisition or specified capital investment.

RESOLUTION 17: PURCHASE OF OWN SHARES

The effect of resolution 17, which is a special resolution, is to renew the authority granted to the Company to purchase its own ordinary shares up until 30 June 2023 or, if earlier, the Annual General Meeting in 2023, subject to specific conditions relating to price and volume. The maximum number of ordinary shares which may be purchased under this authority is 12,612,727. This represents approximately 10% of the ordinary shares in issue (excluding shares held in treasury) as at 5 April 2022, being the latest practicable date prior to the publication of this document. The Company's exercise of this authority is subject to the stated upper and lower limits on the price payable, the upper limit being the price stipulated in the UK version of Commission Delegated Regulation (EU) 2016/1052 as referred to in Article 5(6) of the UK Market Abuse Regulation, and the UK Listing Rules.

As permitted by the Act, the Company can hold any shares which are repurchased as treasury shares and either re-sell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. Holding the repurchased shares as treasury shares will give the Company the ability to re-sell or transfer them in the future and will provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares. Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently re-sold or transferred out of treasury).

The Directors consider it desirable and in the Company's interests for shareholders to grant this authority which is within the limits set out in The Investment Association's Share Capital Management Guidelines. The Directors have no present intention to repurchase shares, and would only do so if and when conditions are favourable with a view to enhancing earnings per share and when to do so would be in the best interests of shareholders generally.

Any purchases would be made through the London Stock Exchange and purchased shares would be cancelled (in which case the number of shares in issue would thereby be reduced) or, alternatively, held in treasury, depending on which course of action is considered by the Directors to be in the best interests of the shareholders at that time.

As at 5 April 2022, there were options or rights outstanding to subscribe for 2,914,373 new ordinary shares in the Company. This represents 2.31% of the Company's issued ordinary share capital at that date and would represent 2.57% of the Company's issued ordinary share capital if the authority had been exercised in full at that date.

RESOLUTION 18: NOTICE OF GENERAL MEETINGS

Under the Act, the notice period required for all general meetings of the Company is 21 clear days, though shareholders can approve a shorter notice period for general meetings that are not annual general meetings, which cannot however be less than 14 clear days. Annual general meetings will continue to be held on at least 21 clear days' notice. The shorter notice period for which shareholder approval is sought under resolution 18 would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. In the event that a general meeting is called on less than 21 clear days' notice, the Company will meet the requirements to offer a facility for shareholders to vote by electronic means as required by the Act. Shareholder approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

FURTHER NOTES

1. A shareholder in the Company who is entitled to attend and vote at the AGM is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend, speak and vote at the meeting. A proxy need not be a shareholder of the Company.
 2. A shareholder in the Company may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares in the Company held by that shareholder. A proxy may only be appointed in accordance with the procedures set out in note 4 below.
 3. A shareholder in the Company wishing to attend and vote at the AGM in person should confirm his or her attendance in advance by emailing enquiries@hostmoregroup.com as soon as possible. A shareholder that is a corporation can only attend and vote at the AGM in person through one or more representatives appointed in accordance with the Act. Any such representative should bring to the AGM written evidence of his appointment, such as a certified copy of a board resolution of, or a letter from, the corporation concerned confirming the appointment. Any shareholder wishing to vote at the AGM without attending in person or (in the case of a corporation) through its duly appointed representative must appoint a proxy to do so. Shareholders, appointed representatives and proxies are reminded that they should not attend the AGM if they have tested positive for COVID-19 or they are displaying symptoms of COVID-19.
 4. Shareholders may appoint a proxy, and give their voting instructions, by any of the following means:
 - By submitting a proxy appointment online – A shareholder may appoint a proxy online by visiting www.sharevote.co.uk and following the instructions. Alternatively, shareholders who have already registered with Equiniti Registrars' online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk by using their usual user ID and password. Once logged in, simply click 'view' on the 'My Investments' page, click on the link to vote and then follow the on screen instructions. To be a valid proxy appointment, the shareholder's electronic message confirming the details of the appointment completed in accordance with the relevant instructions must be transmitted so as to be received by no later than 11.00 am on Wednesday, 25 May 2022 (or, if the meeting is adjourned, no later than 48 hours (excluding non-working days) before the time of any adjourned meeting).
 - By completing and returning a hard copy form of proxy – A shareholder may appoint a proxy by completing a paper proxy form in accordance with the instructions that accompany it and then returning it directly to the registrar, Equiniti Limited at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA so as to be received by no later than 11.00 am on Wednesday, 25 May 2022 (or, if the meeting is adjourned, no later than 48 hours (excluding non-working days) before the time of any adjourned meeting). Shareholders who have not received a hard copy form of proxy and who would like one may request one from the Company's registrar by calling the helpline number provided in note 14 below.
 - By submitting a proxy appointment via CREST – Shareholders who hold their shares in uncertificated form may use the "CREST electronic proxy appointment service" to appoint a proxy electronically by following the procedures set out in notes 15 to 18 below.
 - By submitting a proxy appointment via the Proxymity platform – Institutional shareholders may also be able to appoint a proxy electronically via the Proxymity platform by following the procedures set out, and online instructions referred to, in note 19 below.
- Voting online is quicker, more environmentally sustainable, and more secure than paper voting. Appointing a proxy will not prevent a shareholder from attending and voting in person at the AGM should he or she wish to do so.
5. Any power of attorney or other written authority under which a proxy appointment is signed or authenticated (or a notorially certified copy or a copy certified in accordance with the Powers of Attorney Act 1971 or in some other manner approved by the Board) must, if required by the

Company or by any person acting on its behalf, be received at the relevant address specified in these notes for receipt of such proxy appointment and by the latest time indicated for receipt of such proxy appointment.

6. The right to appoint a proxy detailed above does not apply to persons whose shares in the Company are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Act (“nominated persons”). Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
7. The total number of issued ordinary shares (exclusive of treasury shares) in the Company on 5 April 2022, which is the latest practicable date before the publication of this document, was 126,127,279, carrying one vote each on a poll. As at that date, the Company did not hold any shares in treasury. Therefore, the total number of votes in the Company exercisable as at 5 April 2022 was 126,127,279.
8. A shareholder’s entitlement to vote at the AGM, and the number of votes which may be cast at the meeting, will be determined by reference to the Company’s register of members as at close of business on Wednesday, 25 May 2022 or, if the meeting is adjourned, close of business on the day which is two days’ (excluding non-working days) prior to the adjourned meeting (as the case may be). In each case, changes to the register of members after such time will be disregarded.
9. Shareholders should note that, under section 527 of the Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish a statement on its website setting out any matter that such shareholders propose to raise at the meeting relating to the audit of the Company’s accounts (including the auditors’ report and the conduct of the audit) that are to be laid before the meeting. The request must be received by the Company by no later than 11.00 am on Friday, 20 May 2022, (being at least one week before the meeting) and the Company may not charge the requesting shareholders for website publication of such a statement. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company’s auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on its website.
10. Any shareholder attending the AGM has the right to ask questions relating to the business being dealt with at the meeting which, in accordance with section 319A of the Act and subject to some exceptions, the Company must cause to be answered. Shareholders who wish to ask questions relating to the business of the meeting can also do so by sending them in advance of the meeting to enquiries@hostmoregroup.com. Shareholders wishing to receive a response to a question in advance of the proxy voting deadline for the AGM should submit their questions by email by no later than 11.00 am on Monday, 23 May 2022.
11. A copy of this Notice and other information required by section 311A of the Act can be found at www.hostmoregroup.com.
12. It is proposed that each of the resolutions in the Notice will be voted on at the AGM by way of a poll. A poll reflects the number of voting rights exercisable by each member and so the Board considers it a more democratic method of voting. The results of the poll will be announced to the market and published on the Company’s website once the votes have been counted and verified
13. Copies of Directors’ service contracts and letters of appointment will be available on request during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) at the registered office of the Company at Highdown House, Yeoman Way, Worthing, West Sussex, United Kingdom, BN99 3HH, and at the offices of Numis Securities Ltd, 45 Gresham Street, London, EC2V 7BF from 15 minutes before the AGM starts until it ends.

14. Shareholders may not use any electronic address provided in either the Notice or any related documents (including any form of proxy) to communicate with the Company for any purposes other than those expressly stated. Shareholders in the Company who have general queries about the AGM should either call the Registrar's helpline on 0371 384 2030 if calling from UK, or +44 (0)121 415 7047 if calling from overseas, or write to the Registrar, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA, United Kingdom. No other methods of communication will be accepted.
15. CREST members who wish to appoint a proxy or proxies for the AGM (or any adjournment of it) through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.
16. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message ('CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID: RA19) by no later than 11.00 am on Wednesday, 25 May 2022 (or, if the meeting is adjourned, no later than 48 hours (excluding non-working days) before the time of any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
17. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
18. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
19. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. To be valid, your proxy appointment must be received by no later than 11.00 am on Wednesday, 25 May 2022 (or, if the meeting is adjourned, no later than 48 hours (excluding non-working days) before the time of any adjourned meeting). Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
20. All dates and times stated in this document and any further announcements regarding the AGM are in British Summer Time unless stated otherwise.
